#### New business:

- We need someone to take over as treasurer. Nancy is an interim rep only. We need a volunteer immediately. Let Nancy know.

- AEA annual convention will be October 17-20, 2019, in Grapevine, TX. If you are interested in applying for the OSEA scholarship by June 1, 2019, let a board member know. Scholarship winner will be speaking at our fall 2019 lecture.
- Vicki Sue has found numerous laser offices and DDS office advertising under electrolysis. The 580 number for the Hugo DDS office is a fax number. I didn't find this office at all on Google. Maybe it is has closed?
- Nancy said she would **check with Medical Board as how to go forward with all the illegal listings. ~~to the Medical Board and let them handle it. They should write a letter to each and every business.~~**
- We need every Electrologist in their area to check all social advertising for false Electrology Advertsing in their area: laser clinics, DDS clinics, etc. Bring this attention to the OSEA board to forward on.
- The 3 current officers are to make a "TO DO" list for the next incoming representative. This list will help everyone with transitioning.
- Efudex topical cancer cream cannot be used at the same time of electrolysis treatments.

**Old business:**

- No changes to the website.
- Please make note on the R.E. database. Do not give out Patty Peters address.

Our next meeting will be Sunday, November 3 at 1:30 pm at the Cattle Country Lodge in Stroud.
